

John " " Wyatt-Smith 1917-2002

HHHi All,

The Times (of London), on Tuesday, carried an obituary on John Wyatt-Smith who has died aged 85 and worked in Malaysia before and after the Second World War.

The obit. States:

"In his sixties he was still playing seven-a-side rugby with young VSO workers and he continued to run with the Hash Hound Harriers of which he had been a founder member in Kuala Lumpur in 1939"

Another great hound gone to rest.

On-on!
